EXplore every aspect the city has to offer.

EXplore every aspect the city has to offer.

Our Story

It all started in the year 2000, when Mr. Suresh K Lalgee and his wife Mrs. Bharti Kanani both from the United Kingdom, visited Dubai on a holiday and fell in love with the city. They were walking down Dubai's famous creek when they decided to rent a dhow and bring down a group of their close friends and family to celebrate their wedding anniversary; thus started their business venture into Dubai and the tourism industry.

RIKKS CRUISES LLC

The cruise division, Rikks Cruises (trading name Rikks Floating Restaurant LLC) made a humble beginning with one dhow boat. Today it owns five dhows that cater to various requirements, budgets and group sizes; from an intimate gathering of less than ten people to a small group of 25 persons, or a even large event of 200 plus passengers.

The five dhows are finished in a traditional Arabic style but with modern conveniences. Each of these is unique and distinctive in its own way.

'MV Dolphin' is the largest dhow that can seat up to 150 persons. Seating is divided between an air-conditioned lower deck offering full creek views and an open-air upper deck.

'Pride of Dubai' is luxuriously finished with intricate detailing on the exterior and interior. The second largest dhow has a capacity of 120 seated passengers.

'Hazza' the third dhow, is perfect for smaller groups who want to hire the boat exclusively for up to 80 seated passengers.

'Venus' the fourth dhow is a masterpiece with traditional Arabic structure, look and feel, can accommodate 70 seated passengers.

'Pearl Dubai' is the smallest but most precious dhow, is especially designed for the Day trips for a maximum of 35 passengers, as well as Honeymooners who want privacy, beauty and romance.

NORTH TOURS LLC

In response to the ever increasing demand from tour operators and corporate houses to offer more than the regular dhow cruise, North Tours LLC, was established in 2004 initially focusing only on the operation of tours and safaris. Gradually expanding its umbrella to cover all aspects of the destination management business, today North Tours is a one-stop shop providing comprehensive travel services in Dubai to the incoming tourist-hotel bookings, visa processing, arrival and departure transfers and tours and safaris among others.

Tailor-made and exclusive options for individuals, leisure groups and incentive movements are available as well. With the aim of maintaining a competitive edge and quality standards, North Tours has invested heavily in its own infrastructure. The company owns its own fleet of Toyota Land cruisers and coaches all meticulously maintained with the ability to outsource additional resources when required. In 2009 North Tours was presented with an offer to purchase 'Desert Rangers LLC' (an already established Adventure Tours service provider. In order to provide a broader range of services to clients:

DESERT RANGERS TRAVEL & TOURISM LLC was bought by North Tours LLC to supply more adventurous activities such as sand skiing, dune buggy self drives and quad-biking as well as options for overnight camping for our clients. Full time field staff including guides and drivers are client friendly, experienced and most importantly, approved by DTCM.

Having its own desert campsites make way for a seamless service and the capability to host almost any type of event in the desert. Both camps are designed in a traditional Arabic Bedouin style, have covered and open-air seating areas, bar, sheesha corner, dance floor and full sound and light equipment. Each of these campsites can comfortably accommodate 450 guests. A third campsite with a capacity of 1,500 guests has majlis-style conference facilities, an air-conditioned area and a permanent structure for overnight stays.

ISO 9001 – 2008 CERTIFIED

The prime objective of the group of companies is to ensure that all services are provided and maintained at a level that meets and exceeds our customer requirements.

In 2006, both companies received the 'ISO 9001 – 2000' accreditation in recognition of our quality standards and safety practices. Over the past three years, we have consistently met stringent auditing requirements and have now been approved for the 'ISO 9001 – 2008' recertification.

Moody International Certification Ltd. (UKAS accredited certification body No 014).

Desert Safari Campsite

Dune Bashing

Your trip to Dubai would be incomplete without a full orientation of the seven Emirates. The Dubai City Tour takes you to a scenic route around the city where you can see all those landmarks you have heard about, up close and personal. Don't forget to bring your cameras and an extra battery so you can take home memories of the tallest building in the world, the Sheikh's Palace with peacocks in the garden, the world's only 7* resort, malls the size of cities and of course the man-made marina and famous Palm Jumeirah man-made islands. You may also fancy a visit to the capital Abu Dhabi or the Oasis city of Al Ain. An organised and safe journey is promised every time.

U.A.E. City Tours

Aboard a Dhow Dinner Cruise, you can enjoy the fun and excitement of cruising in just the way that suits you best. Tailor-made options based on individual or group requirements are available at competitive rates with a superior quality of service. Our scheduled Dhow Dinner Cruise operates daily from 20.30 to 22.30 hours. The relaxing two-hour cruise along Dubai Creek or the new and exclusive location at Dubai Marina includes an international buffet meal with unlimited mineral water and soft drinks. Additional beverages including regular and premium wines and spirits may be purchased on cash/credit card payment basis. Lounge music on-board provides added entertainment making it a special and memorable evening.

Dhow Dinner Cruises

Marina Sightseeing Cruise

Experience the newest way to cruise in the newest part of Dubai, where no dhow has ever gone before! Take pleasure in a Day or Night Cruise along the stunning Dubai Marina promenade.

The Dhow Cruise glides along the Dubai Marina in an elegant and traditional Arabian Dhow, contrasted by the modern, expressive skyscrapers along the Dubai Marina. During the Day Marina Sightseeing cruise you can marvel at the 'New Dubai' icons protruding the ever changing skyline of the City of Dubai.

Follow the cruise along the Dubai

Marina Promenade, Jumeirah Beach Residence, and The Palm Jumeirah for unimaginable photo opportunities.

Desert Safaris

Desert sunset

Henna painting

Camel riding

Experience a changing landscape as you leave behind the skyscrapers and traffic for a truly unique experience in the mysterious, meandering sand dunes and all that it has to offer. A desert safari is the most popular tourist activity on your holiday to Dubai. Only a short drive out of the city, this recreation offers experienced skillful dune bashing, a mesmerising desert sunset arty henna painting, fun camel rides, an enchanting belly dance and tanoura show, fresh & tasty bbq dinner, sheesha (fruit flavoured shisha pipe) and all the splendours of the Arabian culture in one trip.

You can even try on Arabic attire for an amusing photo opportunity!

Belly dance show

B.B.Q. Dinner

Dune Buggy Safaris & Adventure

If you fancy yourself as a thrill seeker, why not try your skills and test your courage at a self drive on an exciting day out with our dune buggies and quad bikes.

Team this up with a slide down the high dunes on our sand boards and it's sure to get your adrenaline rushing!

Dubai is one of the world's fastest growing tourism destinations in the world. It is continually adding to its vast portfolio of attractions & activities. Since 1997, Dubai has built up a multitude of grand five star hotels and has developed extravagant towers all around the city. Buildings such as the Dubai Marina and Jumeirah Beach Residence have emerged from the sands and projects such as the Palms and the World developing on water. The incentive product has been refined and there is an established infrastructure of destination management and tour companies to help turn imagination into reality. Meetings are well catered for with convention centre's hosting the Annual Meetings of the World Bank and International Monetary Fund in 2003.

This event alone brought 14,000 world delegates to Dubai.

Tourism has become the backbone of Dubai's future economy.

Planners seeking a highly developed infrastructure, world class hotels and wide range of incentive activities will find that Dubai meets and exceeds all expectations.

Meetings. Incentives. Conferences. Events.
